Dear Sir,

Your name has been given to us by a mutual friend, Mr. D. F. Platt, and he suggests that we write to you as we have one of the largest stocks of coins in the world.

We enclose a list of the Roman Gold coins we have in stock, at the moment, and we shall be pleased to send you lists of any other portions of our stock, if you will let us know in what class of coins you are interested.

Would you favour us with a call next time you are in London, please.

Yours faithfully,

For A. H. BALDWIN, & SONS, LTD.

~~MEDAL~~

12th October, 1928 .

Dear Sir,

We understand that there is to be sold by Auction, in London sometime in November, the extremely rare (almost unique) proof in silver of the British Columbia 10 dollar piece.

We should like to point out that this is the first specimen to be sold by public auction, and, it will in our opinion, fetch from £600 to £1000. in view of its extreme rarity.

Should you care to entrust to us the buying of the piece for you, you may rest assured that your instructions will be faithfully, carried out .

We will send you a catalogue of the sale directly it is published, but of course, the catalogue may be issued only a few days before the sale .

Yours faithfully,

For A. H. BALDWIN, & SONS, LTD .
